Lazard, Inc.	05/09/2024	Management	4	Advisory Vote to Ratify Named Executive Officers' Compensation	For	Against	Against	Against	A vote AGAINST this proposal is warranted due to an unmitigated pay-for-performance misalignment. The increase in CEO pay was driven by a sizable one-time performance-based award amid a CEO transition. The award maintains certain positive features, but the share price sustainment period is short and may reward relatively short spikes in stock price. Additional concerns are raised surrounding the repeated use of one-time awards and annual LTI awards that lack performance-vesting criteria. Lastly, concerns are raised regarding the structure of the annual incentive program, which is heavily reliant on committee discretion and lacks several shareholder-friendly disclosures.

Marten Transport, Ltd.	05/07/2024	Management	10	Ratify Grant Thornton LLP as Auditors	For	For	Against	Against	A vote AGAINST this item is warranted as the auditor's tenure at the company exceeds seven years.
Masonite International Corporation	04/25/2024	Management	1	Approve Merger Agreement	For	For	For	For	Shareholders are receiving a meaningful premium at announcement and a small premium to DOOR's all-time high, there is a potential downside risk of non-approval, and the cash consideration provides liquidity and certainty of value. That being said, the lack of an auction process may raise concerns, since investors lack market-based evidence that the deal is in fact the best available alternative; however, these concerns are somewhat mitigated by the modest termination fee and lack of competing bids since announcement. On balance, support FOR the proposed transaction is warranted.
Masonite International Corporation	04/25/2024	Management	2	Advisory Vote on Golden Parachutes	For	For	For	For	A vote FOR this proposal is warranted. While PRSUs with incomplete performance periods will be assumed at or above-target performance levels, without disclosed rationale, equity awards are predominantly double trigger. Moreover, cash severance is also double trigger and of a reasonable basis, with no excise tax gross-ups payable.
Masonite International Corporation	04/25/2024	Management	3	Adjourn Meeting	For	For	For	For	A vote FOR this agenda item is warranted as the underlying transaction warrants support.
MasTec, Inc.	05/14/2024	Management	1	Elect Director Jose R. Mas	For	For	Withhold	Withhold	WITHHOLD votes for non-independent nominee Jose Mas are warranted for lack of a majority independent board. WITHHOLD votes for incumbent director nominees Jose Mas and Javier Palomarez are warranted due to concerns regarding the risk oversight function of the board in light of the significant pledging activity at the company, which represents a material risk to shareholders.
MasTec, Inc.	05/14/2024	Management	2	Elect Director Javier Palomarez	For	For	Withhold	Withhold	WITHHOLD votes for non-independent nominee Jose Mas are warranted for lack of a majority independent board. MasTec, Inc.	05/14/2024	Management	3	Ratify PricewaterhouseCoopers LLP as Auditors	For	For	For	For	A vote FOR this proposal to ratify the auditor is warranted.
MasTec, Inc.	05/14/2024	Management	4	Advisory Vote to Ratify Named Executive Officers' Compensation	For	For	Against	Against	The CEO Pay Ratio exceeds 100.
MasTec, Inc.	05/14/2024	Management	5	Amend Omnibus Stock Plan	For	For	Against	Against	A vote AGAINST this proposal is warranted because: * The plan administrator may provide loans to exercise awards. * The equity granted to the named executives during the last fiscal year exceeds 15 percent of total awards.
MasTec, Inc.	05/14/2024	Management	6	Amend Qualified Employee Stock Purchase Plan	For	For	For	For	A vote FOR this proposal is warranted given that: * The purchase price is reasonable; * The shares reserved is relatively conservative; and * The offer period is within the limits prescribed by Section 423 of the Internal Revenue Code.
Mastech Digital, Inc.	05/15/2024	Management	1	Elect Director Sunil Wadhvani	For	Withhold	Withhold	Withhold	WITHHOLD votes for non-independent nominee Sunil Wadhvani are warranted for lack of a majority independent board. WITHHOLD votes for incumbent Audit Committee member Vladimir (Vlad) Rak are warranted for failing to include auditor ratification on the proxy ballot.

Mastech Digital, Inc.	05/15/2024	Management	3	Amend Omnibus Stock Plan	For	Against	Against	Against	A vote AGAINST this proposal is warranted because: * The plan has liberal change-in-control ("CIC") vesting risk (overriding factor); * The plan provides for option reloads (overriding factor); and * The company's potential Voting Power Dilution (VPD) for all incentive plans of 20.25 percent is excessive.

Mastech Digital, Inc.	05/15/2024	Management	4	Advisory Vote to Ratify Named Executive Officers' Compensation	For	Against	Against	Against	The identified pay-for-performance misalignment has been mitigated at this time. However, an AGAINST vote for this proposal is warranted given that the company paid significant severance for what the proxy describes as a resignation, which is considered a problematic practice.

Company Name	Meeting Date	Proponent	Proposal Sequence Number	Proposal Text	Management Recommendation	ISS Recommendation	Voting Policy Recommendation	Vote Instruction	Voting Policy Rationale
MeridianLink, Inc.	06/06/2024	Management	5	Amend Certificate of Incorporation to Allow the Exculpation of Officers	For	Against	Against	Against	A vote AGAINST this proposal is warranted as: * the company is de facto controlled and the board has limited accountability to public shareholders; and * such an expansion in exemption from liability would adversely impact officer's accountability in the event of a breach in fiduciary care, which may adversely impact shareholders' interests.
MeridianLink, Inc.	06/06/2024	Management	6	Adopt Supermajority Vote Requirement for Removal of Directors	For	For	For	For	A vote FOR this proposal is warranted, with caution. Even though a supermajority vote may entrench management by preventing actions that could benefit shareholders, the current charter that permits the Thoma Bravo Funds to unilaterally remove a director is not compliant with Delaware law and has to be amended.
MeridianLink, Inc.	06/06/2024	Management	7	Adjourn Meeting	For	Against	Against	Against	A vote AGAINST this item is warranted, as one of the underlying proposals does not warrant support.

Merit Medical Systems, Inc.	05/15/2024	Management	5	Amend Omnibus Stock Plan	For	For	Against	Against	A vote AGAINST this proposal is warranted because: * The company's potential Voting Power Dilution (VPD) for all incentive plans of 10.75 percent is excessive. * The equity granted to the named executives during the last fiscal year exceeds 15 percent of total awards. * The plan allows for single-trigger vesting of awards in the event of a change-in-control.

Natural Gas Services Group, Inc.	06/13/2024	Management	4	Advisory Vote to Ratify Named Executive Officers' Compensation	For	Against	Against	Against	A vote AGAINST this proposal is warranted. A pay-for-performance misalignment exists, and sufficient mitigating factors have not been identified for the year in review. Although pay programs are entirely based on pre-set objective measures with disclosed goals, significant concerns are noted regarding the magnitude of interim CEO Taylor's cash retirement payments. Substantial cash payments upon a voluntary retirement are considered by many investors to be a problematic pay practice and Taylor's cash retirement payments alone exceeded the peer median CEO total pay.

The compensation committee did not demonstrate sufficient responsiveness to last year's low say-on-pay vote.In addition, the CEO's total pay for FY23 was relatively high, driven by an outsized total target LTI award value and a relatively high base salary, which further elevated his target and maximum bonus opportunities. Although annual incentives were predominantly based on objective financial metrics and the committee introduced performance-based LTI awards in FY23, the company failed to disclose any performance targets or specific results, hampering transparency into the incentive programs. In addition, the new performance-based RSUs are earned based on annually-measured targets, and NEOs' total LTI award mix remained majority time-based.

Nexa Resources SA	06/13/2024	Management	4	Approve Share Premium Reimbursement and Loss	For	For	For	For	A vote FOR is warranted. This is the request for shareholder approval of the company's allocation of income. Nexa Resources is not paying a dividend for the fiscal year 2023 because of the company's net losses. While we prefer to see income distributed to shareholders, we believe that periods of no income allocation to dividends in case of losses are in general necessary to maintain the financial health of the company. On this basis, we recommend voting in favor of this proposal.
Nexa Resources SA	06/13/2024	Management	5	Approve Discharge of Directors	For	For	For	For	A vote FOR this item is warranted given the lack of any specific concern with the board's actions over the past year. However, cautionary support is warranted as the company has failed to demonstrate good stewardship by failing to submit the remuneration to a shareholder vote. Despite not being formally required due to the company's cross market status, both in US and Luxembourg companies are required to offer shareholders a say-on-pay.

Seadrill Limited	04/17/2024	Management	12	Amend By-Laws	For	Against	Against	Against	A vote AGAINST this item is warranted for the following reasons: * The article amendments would create a new class of preferred stock and the board would be granted a broad blank check preferred powers. The preferred shares can be used for antitakeover purposes, for example for the purpose of implementing a shareholder rights plan (poison pill). * While the board has communicated some intention to seek shareholder approval for shareholder rights plan, this only concerns shareholder rights plans with a duration of longer than one year and has not been included in the proposal itself. * Many of the changes are proposed to be made in light of the company seeking to only be listed on the New York Stock Exchange. However, some of the proposals are considered premature as the general meeting has not resolved upon the delisting from the Oslo Stock Exchange and subsequently, no delisting application has been made to and approved by the Oslo Stock Exchange.
Seadrill Limited	04/17/2024	Management	13	Approve Remuneration of Directors	For	Against	Against	Against	A vote AGAINST this proposal is warranted because the proposed fees are considered excessive when compared to Norwegian peers.

Southwestern Energy Company	06/18/2024	Management	1	Approve Merger Agreement	For	For	For	For	A vote FOR this proposal is warranted. The strategic rationale is compelling and cost synergies are expected, and shareholders will be able to participate in the upside potential via the all-stock consideration. Southwestern Energy Company	06/18/2024	Management	2	Advisory Vote on Golden Parachutes	For	For	For	For	A vote FOR this proposal is warranted. Although the cash severance basis for the CEO and two other NEOs is considered excessive, cash severance is double trigger and no excise tax gross-ups are payable. SpringWorks Therapeutics, Inc.	05/16/2024	Management	3	Advisory Vote to Ratify Named Executive Officers' Compensation	For	Against	Against	Against	A vote AGAINST this proposal is warranted. Although disclosure of performance results is lacking, annual incentives were predominantly based on pre-set objective goals and a majority of the CEO's annual LTI awards were in the form of options, which are generally considered more strongly performance-based at clinical-stage biotechnology companies. However, the compensation committee's decision to grant supplemental equity awards to the NEOs because outstanding options were underwater undermines the alignment of executive pay with shareholder interests. The CEO's supplemental award, though entirely performance-conditioned, resulted in outsized equity award magnitude.
